

Terms of use

About users of GEMPIL Users who post aggressive messages on the Wall, insults, defamation of the service or derivatives; Will be blocked from our site and denounced to Gempil (according to current policies) for the subsequent deletion of their profile, without possibility to recover their information, photos, videos, notes, etc. Users who post LINKS to other groups or pages, internal or external to Gempil, will also be denounced by SPAM, with the consequence of The Blocking and Deletion of their profile. I) Introduction

MISMS.com.ar is a free service that can be used by anyone to send text messages to cell phones that support this technology. This service is FREE for the sender (some cellular providers can charge the recipient, but NEVER MISMS) II) Using MISMS.com.ar This site can only be used by genuine Internet users using a browser (Internet Explorer, Netscape, Mozilla, Opera). They do not allow automated uses for sending messages or assistance with sending text messages. Users must always be able to see the complete site, colors, interfaces, popups or banners. Using a software or script that does not allow this is prohibited and is listed as "automated submission". Users must manually load the required information when sending text messages
